## Obscure Backing Glass (Available in all the Series)

Choosing an obscure backing glass in replacement of clear glass will reduce the Door Energy Ratings - we recommend all designs featuring Gluechip glass are backed using clear glass to enable us to use Soft Coat glass. Alternatively if you would like a different backing glass, the following options are available.

Sandstone

Honeycomb

Woodland

Glacier

Gluechip (extra cost option)

Misted (extra cost option)

## Additional Designs (Available in all the Series)

We are pleased to offer the following glass options to help you match certain property types or existing window patterns.

*Georgian Bar is only available in Windsor, Jacobean, Kentucky, Portland & Stable View Light. Available in White, Light Oak & Woodgrain. Georgian Bar reduces the energy rating.*
